CMPX 2018 Exhibit Space Is 80% Sold Out!

Now 80% of the 200,000 square feet of show floor space is “sold” for CMPX 2018 – Canada’s National Show for the HVACR and Plumbing Industries!

The last two CMPX shows held in 2014 and 2016, sold out totally. Potential Exhibitors need to move fast to secure the best available display space and ensure that their deposit is in!

CMPX 2018 will again be held in the Metro Toronto Convention Centre, North Building on Front Street, from Wednesday March 21 through to Friday March 23, 2018.

Jointly produced since 1972 by HRAI and CIPH, CMPX, *The Canadian Mechanical & Plumbing Exposition* is Canada’s national trade show and Learning Forum for the mechanicals industry including: air-conditioning, heating (forced-air and hydronics), plumbing, waterworks, water quality, piping, refrigeration and ventilation industries.

CMPX is Canada’s big show for the mechanicals industries and the show floor is expected to “sell out” again for CMPX 2018. In fact, following the very successful 2016 show, 95% of exhibitors said they planned to exhibit at the 2018 CMPX show.

CMPX 2018 features a new interactive floorplan. Show space is updated daily as deposits are received and space is reserved. View the CMPX 2018 interactive floorplan at <http://cmpxshow.com/floorplan.cfm?main=18>

Booth space marked in yellow is confirmed while space marked green is pending and space marked blue is still available. By moving your mouse over each booth, an information fly-out shows the booth number, dimensions and exhibiting company name if the space is confirmed.

Check it out right now and get your Application and Deposit in today while there are still some prime spaces available!

The Exhibitor Space Sales brochure and Application form are both online now. Exhibitors can view and print these out by going to: <http://cmpxshow.ca/exhibitor-manual-forms.cfm?main=18>
