

For Immediate Release – February 3rd, 2017

New CMPX 2018 Website Is Now Online

The new CMPX 2018 website is now online and live!

The website is especially useful for CMPX 2018 Exhibitors seeking information and answers to help plan their display space and marketing programs. Be sure to “clear your cache” to avoid having your computer pull up a cached version of the 2016 site.

The Exhibitor Space Sales brochure and Application form are both online now. Exhibitors can view and print these out by going to: <http://cmpxshow.ca/exhibitor-manual-forms.cfm?main=18>

CMPX 2018 will be held at the Metro Toronto Convention Centre, North Building, March 21, 22, 23, 2018.

CMPX, *The Canadian Mechanical & Plumbing Exposition* is Canada’s national trade show and Learning Forum for the mechanicals industry including: air-conditioning, heating (forced-air and hydronics), plumbing, waterworks, water quality, piping, refrigeration and ventilation industries. Jointly produced since 1972 by HRAI and CIPH, the show was formerly called CEX, 1972 to 1996 and CMX from 1998 to 2010.

CMPX is Canada’s big show for the mechanicals industries. The show floor is expected to “sell out” again for CMPX 2018. In fact, enquiries are already coming in. Following the very successful 2016 show, 95% of exhibitors said they planned to exhibit at the 2018 CMPX show.
